Section A

Cover Page

Document ID: PDFHAUL-TEST-A

This is the cover page of the PDFHaul duplicate detection test file. It appears once here on page 1, and again, as an exact duplicate, on page 4.

Section B

Terms and Conditions

Document ID: PDFHAUL-TEST-B

This page represents a terms and conditions section. It appears once here on page 2, and again, as an exact duplicate, on page 7.

Section C

Exhibit Reference

Document ID: PDFHAUL-TEST-C

This page represents an exhibit reference sheet. It appears once here on page 3, and again, as an exact duplicate, on page 9.

Section A

Cover Page

Document ID: PDFHAUL-TEST-A

This is the cover page of the PDFHaul duplicate detection test file. It appears once here on page 1, and again, as an exact duplicate, on page 4.

Section D

Internal Notes

Document ID: PDFHAUL-TEST-D

This page is styled like the cover page (same box and layout) but its content is different. It should never be flagged as a duplicate of page 1 or page 4.

Section E

Executive Summary

Document ID: PDFHAUL-TEST-E

This page is unique content with no duplicate anywhere else in this file. It should never be flagged.

Section B

Terms and Conditions

Document ID: PDFHAUL-TEST-B

This page represents a terms and conditions section. It appears once here on page 2, and again, as an exact duplicate, on page 7.

Section F

Glossary of Terms

Document ID: PDFHAUL-TEST-F

This page is styled like the terms and conditions page (same box and layout) but its content is different. It should never be flagged as a duplicate of page 2 or page 7.

Section C

Exhibit Reference

Document ID: PDFHAUL-TEST-C

This page represents an exhibit reference sheet. It appears once here on page 3, and again, as an exact duplicate, on page 9.

Section G

Closing Page

Document ID: PDFHAUL-TEST-G

This is the final, unique page of the test file. It should never be flagged as a duplicate.
